Load capacity (kg)	25 kg
Max. stacking load (kg)	250 kg
Internal dimensions (l x w x h)	566 x 366 x 305 mm

Features

Stacking bin is provided with an extra strong diamond-pattern base

Description

Practical plastic stackable container in Euro norm size 600 x 400 mm. The container height including the strong bottom is 320 mm. Thanks to the extra reinforced lattice bottom, this plastic stackable container is also highly suitable for heavier loads. The open handles provide comfortable handling of the container. Perfectly combinable with other Euro norm stackable containers and easily transportable on plastic pallets, roll containers, and plastic carts.
