Description

Stacking crate made of food-safe plastic with Euro standard dimensions of 600 x 400 mm. The bottom, walls, and handles are closed, allowing for the complete utilization of the contents. The bottom is reinforced and features a diamond-pattern construction. Therefore, this stacking crate is highly suitable for applications involving heavy loads. Due to its Euro standard size, this stacking crate can be perfectly combined with other Euro standard stacking crates, as well as with standardized pallets, roll containers, and dollies.
