Description

Closed plastic stacking container in Euro norm size 600 x 400 mm. The height, including the reinforced bottom, is 420 mm. Due to the standardized dimensions, the stacking container can be stacked with all other Euro norm stacking containers and is perfectly combinable with standardized pallets and mobile bases. The stacking container is food-grade, has a hygienic design, and is equipped with two practical open handles. Suitable, among other things, for the storage and transport of food or bulky goods. With reinforced bottom.
