Description

Stackable container in Euro standard format 400 x 300 mm. Black food-grade stackable container featuring closed walls, solid handles, and a sealed, smooth bottom. Thanks to the closed handles, the container can be completely filled. This stackable container is highly suitable for industrial applications, as well as for rental companies or the food sector. Due to the standardized dimensions, the stackable container is also perfectly compatible with other Euro containers, as well as standardized pallets, roll cages, and dollies.
