## Description

Stacking crate with Euro size 400 x 300 mm in white. The white stacking crate is completely closed, including the handles. Made from food-safe plastic, making it highly suitable for use in the food industry. This stacking crate is commonly used in event catering and rentals as a plate crate among other uses. Plates with a diameter of up to 155 mm can be placed vertically in the crate. The stacking crate is easy to handle with integrated handles on both short sides. Due to its Euro size, this stacking crate perfectly complements all other Euro-sized stacking crates, as well as standardized pallets, roll containers, and mobile bases.
