Description

This black stackable crate in Euro format 400 x 300 mm has a height, including reinforced diamond base, of 400 mm. The stackable crate features closed walls with solid handles and a closed, reinforced bottom. This crate is widely used as a plate crate in event catering and rentals. Thanks to the reinforced bottom, heavy loads can be stored and transported in this crate without any issues. It accommodates plates with a diameter of up to 360 mm when placed vertically inside the crate. Additionally, the crate is well-suited for numerous other applications.
