Description

A sleek and modern-designed plastic stackable container in Euro standard size 400 x 300 mm. With open handles and a reinforced, closed bottom. The reinforced bottom enables heavy loading of the container. Thanks to the comfortable handles, the plastic stackable container remains easy to handle even when fully loaded. The container has the ideal dimensions for transporting and storing large dinner plates. Plates with a maximum diameter of 360 mm can be easily transported in it, placed vertically within the container. An ideal plastic stackable container for event catering but also suitable for heavy industrial use.
