Description

Green plastic stackable container in Euro standard dimensions of 400 x 300 mm. The green stackable container is fully enclosed and has a smooth bottom. The container is easy to lift using the bowl handles. Manufactured from food-grade plastic. The stackable container is highly suitable as a cutlery tray or storage bin for various small items. Due to the Euro standard sizing, the green container is stackable with other Euro containers and also perfectly compatible with standardized pallets, roll cages, or mobile bases.
