Features

Modern stackable container / plate tray from the **SOLID LINE**; designed specifically for event catering and rental, as well as industrial applications.

The stackable container features a smooth bottom.

Suitable for mounting hinged lids.

Description

Gray plastic stackable container in Euro standard dimensions of 400 x 300 mm. The gray stackable container is fully enclosed and has a smooth bottom. The container is easy to lift using the bowl handles. Made of food-grade plastic. The stackable container is highly suitable as a cutlery tray or storage bin for various small items. Due to its Euro standard sizing, the gray container is stackable with other Euro containers and also perfectly compatible with standardized pallets, roll cages, or mobile bases.
