Description

The red E1 stacking crate, also known as a meat crate, measures 600 x 400 x H 125 mm and is perfectly suited for storing and transporting food products. Manufactured from 100% new material, this stacking crate meets the highest hygiene standards. With its closed bottom and side walls, it provides optimal protection to the contents during transportation and storage. Additionally, it is easy to handle thanks to the 4 open handles, allowing it to be lifted and moved effortlessly. With this red E1 stacking crate, you can safely and efficiently organize and transport your food products while meeting all hygiene and quality requirements.
