- **Textured area for labels on all sides**
- **Mutually stackable with other stacking bins in the E range**

Description

The grey E2 stacking crate, measuring 600 x 400 x H 200 mm, is a versatile and reliable solution for the storage and transportation of food items. Thanks to its features, this crate is perfectly suited for use in the food industry. Made from high-quality, 100% new material, this stacking crate meets the highest standards for food safety.

With a closed bottom and closed sidewalls, the grey E2 stacking crate provides optimal protection for stored products, ensuring they are safe from external contaminants and damage during transportation. Additionally, this crate is equipped with four open handles, making it easy to lift and move, even when fully loaded.
