- **Textured area for labels on all sides**
- **Mutually stackable with other stacking bins in the E range**

Description

Yellow E2 stacking crate/meat crate (600 x 400 x H 200 mm). The yellow E2 stacking crate is food-safe and made of 100% new material. The yellow E2 stacking crates have a closed bottom and closed side walls, with 4 open handles. The walls of the yellow E2 stacking crates are equipped with ventilation openings. The E2 meat crate is absolutely the most commonly used stacking crate in the entire food sector. In addition to yellow, E2 crates are available in many other colors and are used for a wide range of applications. The E2 stacking crate is widely used throughout the food sector, and especially the color red is used as a pool crate in the entire European meat and meat products sector.
