Stacking bin with hinged lid and 2 snap-slide locks

Description

Stacking bin with lid in Euro norm format 400 x 300 mm. The lid container is composed of a stacking container and a hinged lid with two snap-slide fasteners. In the open position, the hinged lid is removable. Completely closed container with a smooth bottom and closed handles. Due to the standardized dimensions, the lid container can be stacked with other Euro containers, with or without a lid. The lid container is made of food-grade plastic. The snap fasteners ensure a secure closure of the lid container and make it easy to open. We supply foam interiors, seals, and label holders as accessories for the lid containers.
