Description

Stacking bin with lid in Euro norm size 400 x 300 mm. The lid container consists of a stacking container and a hinged lid with two snap-slide locks. In the open position, the hinged lid is removable. Completely closed container with a smooth bottom and closed handles. Due to standardized sizing, the lid container can be stacked with other Euro containers, with or without lids. The lid container is made from food-grade plastic. The snap locks ensure secure closure of the lid container and easy opening. We provide foam interiors, seals, and label holders as accessories for the lid containers.
