Description

Stacking bin with lid in Euronorm format 400 x 300 mm. The lid container is composed of a stacking container and a hinged lid with two snap-slide closures. In the open state, the hinged lid is detachable. Completely closed container with a smooth bottom and closed handles. Due to the standardized dimensions, the lid container can be stacked with other Euro containers, with or without lids. The lid container is made of food-grade plastic. The snap closures allow the lid container to be securely closed and easily opened. We supply foam interiors, seals, and label holders as accessories for the lid containers.
