Features

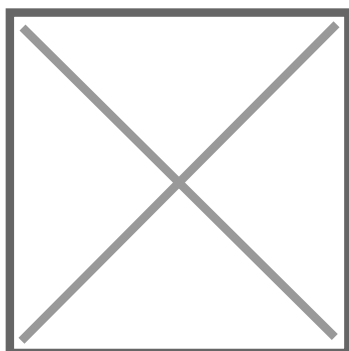

With a smooth bottom.

The standard version features closed handles.

Lid containers are stackable even with lids.

Lid containers have a removable hinged lid.

The lid container comes with two snap-slide locks in the lid.

Description

Euro norm lid container 400 x 300 mm. The fully enclosed container features a hinged lid with two snap-slide locks. The container is highly suitable for dust-free transportation and storage of goods. This can be used for small tools as well as electronic equipment or other products. The lid container is easy to open with the snap-slide locks. We supply foam interiors, seals, and label holders as accessories for the lid containers.
