Description

Lidded container in Euro norm format 400 x 300 mm. Thanks to the Euro norm format, this lidded container can be stacked with other Euro norm stacking containers. Additionally, the stacking container can be efficiently stored and transported without space loss on standardized pallets, roll containers, and mobile bases. The stacking container is equipped with a lid that hinges on one long side. The other side features two snap-slide locks, ensuring easy opening and secure closure of the lid.
