Features

Stackability: Thanks to the Euronorm format, this container can be stacked with others of the same dimensions, promoting space efficiency during storage and transportation.

Hinged lid: The container features a lid hinged on one long side, allowing easy access to the contents without completely removing the lid.

Snap-slide closures: On the opposite side of the hinged-lid container, two snap-slide closures are located. These closures enable easy opening and secure closure of the lid, ensuring safe storage and protection of the contents from external influences.

Description

Green hinged-lid container in Euronorm format 400 x 300 mm. Thanks to the Euronorm format, this hinged-lid container can be stacked with other Euronorm stackable containers. Additionally, the green stackable container can be efficiently stored and transported without space loss on standardized pallets, rolling containers, and mobile bases. The stackable container is equipped with a lid that hinges on one long side. The other side is fitted with two snap-slide closures. These snap-slide closures ensure easy opening of the lid and secure closure.
