Description

Lid container in Euronorm format 400 x 300 mm. Thanks to the Euronorm format, this lid container can be stacked with other Euronorm stacking containers. Additionally, the stacking container can be efficiently stored and transported without space loss on standardized pallets, roll containers, and mobile bases. The stacking container is equipped with a lid hinged on one long side. The other side has two snap-slide closures. These closures ensure easy opening and secure closure of the lid.
