Description

Yellow stacking bin with lid in Euro norm format 400 x 300 mm. Thanks to the Euro norm format, this lid container can be stacked with other Euro norm containers. Additionally, the yellow stacking container can be stored and transported efficiently without space loss on standardized pallets, roll containers, and mobile bases. The stacking container is equipped with a lid that hinges on one long side. The other side features two snap-slide closures. The snap-slide closures make it easy to open the lid and securely close it again.
