Featuring a smooth bottom.

The standard version comes with closed handles.

Lidded containers are stackable even with the lid.

Lidded containers have a removable hinged lid.

The lidded container is supplied with two snap-lock closures on the lid.

Description

Stackable container with hinged lid in Euro norm size 600 x 400 mm. The hinged lid is equipped with two snap-lock closures. The container is completely closed. The handles are also sealed. This allows the full utilization of the content. The lidded container is made of food-grade plastic. Thanks to the practical Euro norm dimensions, this lidded container fits perfectly onto other Euro containers, as well as onto standardized pallets, roll containers, and mobile bases.
