Description

Fully perforated Euro-sized stackable crate measuring 600 x 400 x H 55 mm with a capacity of 9 liters. Food-grade grey crate without handles. The side walls are equipped with fine slot perforations all around. The bottom is perforated and features minimal reinforcing ribs, allowing for sufficient internal height space. This grey stackable crate is widely used in the food industry, particularly by pastry chefs, chocolatiers, and confectioners. Also suitable as a draining tray or grid on top of a 600x400mm drip tray.
