- **Specifically designed for controlled storage or transportation of items.**

Description

Stacking crate 400 x 300 mm in green color. Equipped with open handles and integrated label holders all around. A great crate for storing or transporting smaller products, including food items. To create a visual distinction, the crate is available in various colors. The robust crate has a reinforced bottom, ensuring minimal bending even with heavy loads. It stands 193 mm tall and has a capacity of 18.2 liters. Made of food-grade plastic, this stacking crate features finely perforated side walls and bottom.
