Article number	7.925.760.626
Weight (kg)	1,9 kg
Bottom	Closed, smooth

Features

- **The lid on the TELLUS bins (600 x 400 mm) may be security sealed**
- **TELLUS bins are stackable and nestable**

Description

The containers from the TELLUS series are convenient and versatile storage solutions. With dimensions of 600 x 400 x H 220 mm and a capacity of 40 liters, they are ideal for various applications. These containers are specially designed to be stacked and nested, making them easy to store and saving space when not in use.

These containers are safe for use with food and feature a closed bottom and side walls, along with two securely closed handles in the shape of bowls. Thanks to these closed handles, the containers from the TELLUS series offer optimal capacity. They not only provide a secure grip but also enable efficient use of available space by allowing the containers to be filled to the brim without wasting storage space.

Whether it's organizing supplies in a storage space or storing food in a professional kitchen, the TELLUS containers offer a practical and efficient solution. They are not only functional and durable but also easy to handle, making them perfect for various storage needs in different environments.
