Description

Plastic transport box with dimension 600 x 400 x H 439 mm. The transport box is equipped with two case handles and a cylinder lock. The cylinder lock can be optionally equipped with single-locking or equal-locking cylinder. The transport box has a capacity of 86 liters.
The plastic transport box is ideal for transporting and storing ballot papers and other valuable papers or goods.
The transport box is closed with a lid equipped with a lock and can optionally be additionally secured with a seal. The contents of the ballot box are accessible after unlocking the hinged lid. The lid can also be additionally sealed on the short sides. The transport box has an additional reinforced bottom, two case handles and hinge reinforcements for the hinged lid.
Transoplastshop's ballot boxes and transport boxes are stackable and comfortable to move by means of the handles on the short sides. On request we supply the ballot boxes with logo and/or text printing. Please inquire about the possibilities.
