- **Optimal hygiene due to the minimal external rib structure.**
- **Thick wall and bottom construction for good impact resistance and long lifespan.**
- **Equipped with lowered upper edges on the short sides for proper ventilation of the content.**

Description

White UNIBOX stackable container in Euronorm format (600 x 400 x H 300 mm - 54 liters). Completely closed design, with smooth walls and a smooth base. The UNIBOX features ergonomic bowl handles for easy handling. These particularly hygienic UNIBOX stackable containers have virtually no ribs on the outside and boast generous rounded corners with a large radius. This design simplifies cleaning and emptying. UNIBOX containers have depressions on both short sides in the upper rim to allow for quick cooling and good ventilation.
