Description

Grey universal basket (600 x 500 x H 120 mm) for washing dishes, glassware, pans, bowls, etc. The universal basket has an available internal height of 85 mm when stacked. Suitable for mixed loading with glassware, dishes, pans, and various large kitchen utensils. The bottom is specially reinforced, making it suitable for use in basket transport machines with transport hooks. The side walls and the bottom have an open construction for optimal rinsing results and faster drying process. The grey universal basket 50.XLB is an XL dishwashing basket. These dishwashing baskets are specially developed for use in larger dishwashers where Euro norm crates measuring 600 x 400 are also cleaned. The dishwashing baskets utilize the full width of such rinsing machines. This allows 30% more dishes to be washed than with standard dishwashing baskets measuring 500 x 500 mm. This saves time and reduces water and energy consumption!
