Description

Plastic wide-mouth container, 68.5 liters with dimensions Ø 410 x H632 mm. The wide-mouth container has six bowl handles on the lid rim of the hermetically sealing screw lid. The container is vapor-tight, airtight, and liquid-tight. Two folding handles are attached to the wide-mouth container. It features a large filling opening Ø 282 mm, is stackable and palletizable, making it very user-friendly. The wide-mouth containers are UN approved for packaging groups I, II, and III. Suitable for use in the food industry, in freezer environments, and with hazardous substances. Also usable as a water safe. Wide-mouth containers are ideal for use as a feed barrel for storing animal feed. A wide-mouth container with a capacity of 68.5 liters is suitable for approximately 25 kg of animal feed.
